

JANUARY 26, 2009

Dear Coach

I hope that my letter finds you in the midst of a very profitable off-season. I am writing to you at this time to inform you of the new items pertaining to our camps this summer and to invite you to once again be a part of the coaching staff at one or more of our camps. In the past year, JR and I have put a significant amount of energy into expanding and improving our football camps. **This year Session 3 and Session 4 of the HS Skills Camp at Franklin will again be an invitation only camp for "Team Groups".** In addition, Session 7 at Franklin will again for the 2nd year, be a Full Team Session in which we will combine a Skills Camp with a Down and Dirty camp to invite only full teams of at least 35 players. Coaches who desire more info on the format of these three Sessions should call or e-mail me for clarification. I will accept 8 teams at each of these sessions. Call me asap to reserve your spot.

Our camp enrollment in 2008 was 3700 campers. This year we will have four of the *Middle School Sessions* on four different college campuses. We will have one in June at Eureka College (IL), and three in July in Indiana (Anderson, Franklin, DePauw).

This summer we will resume having a HS Skills Camp at Anderson U. with Jeff Judge and I directing the camp. We will again host a HS Skills Camp at Manchester College in North Manchester, Indiana. In addition, a HS Skills Camp will be held at Eureka College in Eureka, Illinois. Head coach, Shannon Griffith at Manchester and Jeb Odam from Taylorville HS at Eureka have already begun recruiting campers and coaches to insure that we will have great camps at these two, locations.

Again for the 6th year, we will host two **BISHOP AND DULLAGHAN "DOWN AND DIRTY LINEMAN" CAMPS** for offensive and defensive linemen. **These sessions will be conducted at Anderson University, June 4-6, and a second at Manchester College, June 26-28.** We had 325 linemen last summer at these very intense camps that have received rave reviews from the HS coaches and their players.

Our camp continues to improve itself each year because our staff continues to make suggestions to modernize the presentation and the content of our clinic curriculum. Please fill out the attached form to let me know at which sessions and for what positions you would like to coach. I will try to honor your requested dates and position desires if I can. Please make sure that you give me your E-Mail address also. **"Please snail mail or e-mail this form to me by April 15."** My e-mail address is rldhc@comcast.net.

The final decision on which sessions and what positions you will work, will be determined as our numbers at each camp are finalized. In most cases, you can predict that you will be asked to work the sessions that you request, however, I will write you back in May to specify your exact assignment, based on your availability and our staff needs.

Please try to encourage your middle school coaches to get their players to attend one of the **MIDDLE SCHOOL SESSIONS**. All campers at this **MIDDLE SCHOOL CAMP** will learn an offensive as well as a defensive position. Please note also that the **MIDDLE SCHOOL SESSION WILL BE ALL POSITIONS for GRADE 6, 7, AND 8.**

In addition, you are encouraged to check out our new website www.bishopdullaghan.com. You are also reminded that this fall as was the case last year, *players can register online for all of the Bishop and Dullaghan Football Camps.*

Sincerely yours

Richard L. Dullaghan
Camp Director
